

The Holding Management at the the Forum ENES 2013

On November 21, 2013 within the framework of the International Forum on Energy Efficiency and Saving ENES 2013, which took place in Gostiny Dvor in Moscow, a round table discussion was held by the Fuel and Energy Department for the City of Moscow “Efficient lighting: what to regulate and how to encourage”.

The Director General of the Managing Company “BL GROUP” Elena Yurievna Matveeva and the Director General of the Russian Scientific and Research Institute for

Lighting Technologies Anna Gennadiyevna Shahparunyants took part in the event.

The result of the event was the adoption of a resolution aimed at improving the system of energy services in the field of lighting, you can find its text on the official website of the Fuel and Energy Department.

(According to the corporate newspaper “SVETskaya zhizn” № 4 (25), 2013)
